A Full Service Real Estate Company

SeEquity is the first truly "full-service" real estate brokerage in Idaho. SeEquity has residential, new home sales, commercial, property management, leasing divisions and an experienced auction division. Real Estate auctions are exciting, fun and a profitable alternative to conventional marketing methods. The recent growth of real estate auctions is due to a greater acceptance of the auction method by the public utilizing online and onsite auctions in greater numbers. Buyers and sellers are increasingly seeing the advantages the auction method brings to the sale and we are excited to be a part of this shift in public perception. With the addition of you, SeEquity is now complete!
