

Make-A-Wish Foundation**Mission**

We grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Since 1980, the Make-A-Wish Foundation® has enriched the lives of children with life-threatening medical conditions through its wish-granting work. The Foundation's mission reflects the life-changing impact that a Make-A-Wish® experience has on children, families, referral sources, donors, sponsors, and entire communities

A life can be measured in memories, not just in years.

The power of the Make-A-Wish Foundation of Idaho lies in the simplicity of our mission. We are focused on the children who need us! As such, the goal of the Make-A-Wish Foundation of Idaho is to provide each child and his or her family with a truly magical experience — a bright oasis of happiness and normalcy during uncertain times. A wish offers children hope, inspiration and encouragement amidst the difficult circumstances they battle bravely each day. Make-A-Wish Foundation of Idaho, in conjunction with a loyal community support system of volunteers and donors, is dedicated to making the wishes and dreams of children come to life. We invite you to share the power of a wish!

How Wishes Are Granted

Make-A-Wish Foundation of Idaho grants the wishes of children two and a half to eighteen years of age. A referral may be received from one of three sources: a medical professional (doctor, social worker or life specialist), a parent or guardian or the potential wish child his or her self.

Make-A-Wish Foundation of Idaho, in accordance with criteria used globally, requires the child to have been diagnosed at the time of referral with a life-threatening condition, i.e., a progressive, degenerative or malignant medical condition that has placed his or her life in jeopardy as determined by his or her treating physician to qualify for receipt of a wish. Make-A-Wish Foundation of Idaho grants the wishes of ALL children referred to our organization who are deemed medically eligible.

After physician approval of eligibility, a team of wish granting volunteers will be assigned to the wish child and his or her family. The team then schedules a time to visit with the child and family to determine the child's wish. The chapter's Board of Directors approves the wish and the wish team, in conjunction with Make-A-Wish Foundation staff, begins creating the magic!

Thank you

Make-A-Wish Foundation of Idaho is a non-profit 501(c)3 organization and relies on the donations, both monetary and in-kind, of individuals, local businesses, corporations, grants and fundraisers as a means of funding. Without this generosity, Make-A-Wish Foundation of Idaho would be unable to orchestrate the dreams of Idaho children and makes their wishes come to life. As such, Make-A-Wish Foundation of Idaho is proud to recognize and pay tribute to loyal and dedicated volunteers and donors.

The bid price of this property, less closing costs, directly benefits Make-A-Wish Foundation of Idaho, Inc.
